DUKE

It's the brand that wouldn't die, that wouldn't lie down and roll over even when the factory was closed over 20 years ago. It's a name that was so popular, so respected and so well-loved by sports car enthusiasts the world over, that parent company - Rover Group International -

It's worthwhile to invest millions in a new model to bring the brand back! It is of course and now we bring you the full MG story from 'Number One' - the first MG ever made - to the latest ever video test of the exciting Nineties

...between we cover every significant MG model, from the earliest Midget in the world through the beloved T-types, the MG-TYPE, the company's biggest-seller so far, the complete spectrum of MG history and more!
