*MGB – The Illustrated History*, was compiled with the full co-operation of the original design team including John Thornley, Syd Enever, Don Hayter and Roy Brocklehurst.

The book is copiously illustrated with colour photographs – many taken especially for the book – and historic black and white photographs, amongst which are many appearing for the first time. Also featured are three fold-out colour cut-away illustrations of the MGB Roadster, MGC and MGB GT V8.

This book not only charts the 18-year production life of Britain's best-loved sports car but also takes the reader behind the scenes at the world-famous Abingdon factory.

*MGB – The Illustrated History* is written by Jonathan Wood, one of Britain's leading motoring historians, in collaboration with Lionel Burrell, originator and Associate Editor of *Classic Cars* magazine.
