

Ultimate Buyers' Guide

153

Philip Raby

MGF and TF

All you need to know about the technical specifications, models, chassis, colours, options and year by year changes. Packed with tips on what to look for and what goes wrong

MGF and TF

The MGF and MG TF have redefined the market for fun-filled, value for money sports cars. Since its introduction in 1995, the MGF and its successor the MG TF, has become a firm favourite to a whole new generation of MG enthusiasts

This Ultimate Buyers' Guide introduces the MGF and MG TF in all their forms, describing the technical specifications, vehicle identification data, performance, colours and options. Using colour photography of the cars and many actual problem areas, we introduce each model and what to look for when choosing and buying a used example.
