SPORTSCAR OF THE YEAR - 1958

## HERITAGE MOTORING FILMS

The British Motor Industry Heritage Trust in conjunction with Wychwood Video Publishing are releasing on videocassette titles from the extensive BMIHT film archive.

These include some very rare and early advertising and promotional films made for the many companies that come under the Trust's banner.

The videos have been produced from broadcast quality 1 inch video tape using wherever possible the original master film material, or if unavailable, the best possible surviving print.
