

VI International MG Monte-Carlo Event

4/5/6 October 2024

The VI MG International Monte-Carlo Event

The MG Car Club of Monaco is organizing its very exclusive **Sixth International MG Monte Carlo Event** which will be held as usual during the first week-end of October, this year in 2024.

The event was started in 2005 and has been organized every three years in the Principality, collecting teams arriving from all over Europe. Unfortunately the Covid situation has cancelled our event three years ago, but now a lot of requests for a new happening has arrived from all over Europe, and we are very glad and happy to welcome you again.

For 2024 the very exclusive **Hotel Monte Carlo BAY**, located front to the sea in the Principality will be the aim of the meeting together with exclusives dinners in the coolest places and private Clubs of Monte Carlo. The MC Bay has an "exclusive lagoon" for the guests which is usually open all October (due to climate situation).

The Meeting will officially start the Friday afternoon, with the welcome, the relax in the Lagoon & Spa, a special dinner, then developing all the Saturday along the *Cote Azur* of the French Riviera, with a stop in an amazing Relais & Chateaux for lunch into the Provençal Hills, following with and dinner in the heart of Monte Carlo. The Saturday relax again and a very short drive, arriving in a 'new port-sea' location for again a high quality lunch. As usual our event will close after the Sunday's lunch.

This cocktail of amazing elements will introduce and bring all participants into the *Monte-Carlo atmosphere*.

If you desire to arrive in advance and/or leave the area some days later, as in the past years, we can help you to organize a longer stay, with several place where we have corporate 'Club-rates' and facilitation: contact us by time in order to help you in your organization.

We look forward meeting you in Monte-Carlo !
