Like last year, the Whitsun meeting will be truly international again in 2025: In collaboration with the Czech MG Car Club, MGCC Germany are organising their traditional meeting in the Bohemian Forest/Bavarian Forest border area. Our hotel is on the Czech side, more precisely in Špičák, a district of Železná Ruda, about ten minutes from the border.

The plan for the long weekend looks like this (participants will receive all the details in good time before the start):

- **Friday, 06/06/2025** Informal meeting in the afternoon between 1:00 pm and 4:00 pm on the German side of the border (near Bayerisch Eisenstein). In addition to a cup of coffee and a piece of cake, you also get 25 litres of e-fuel for every vehicle - and thanks to our sponsor Coryton Aspen, it's even free! So, please arrive with the tank as empty as possible!
- **Saturday, 07/06/2025** Drive through the Bohemian Forest with great roads, interesting destinations and a delicious Bohemian lunch. We are also planning stops with great photo opportunities to put our MGs in the spotlight.
- **Sunday, 08/06/2025** On the Bavarian side we will drive to see a very special exhibition of local craftsmanship. Lunch will be served in a dignified atmosphere... twisty and scenic routes will come on top for your pleasure as usual.
- **Monday, 09/06/2025** On the last day, we are going to offer an optional road trip until midday. The exact details are still work in progress.

The registration fee is 390 euros for MG and driver, plus 190 euros for the passenger \*). Included are three nights' accommodation with breakfast and dinner, all entrance fees and guided tours, lunch and coffee breaks along the way, including drinks. Drinks in the hotel are not included. The optional excursion on Monday is rated at 20 euros per person.

Please be aware that the registration website is in German only. If you need any assistance, please do not hesitate to contact Mykel on [events@mgcc.de](mailto:events@mgcc.de).

\*) The 190 euro rate applies to accommodation in a double room. Two people in one car with two single rooms cost an extra 200 euros, which is the same as two separate bookings.
